We welcome contributions from anyone who would like to take advantage of this opportunity to promote their business.

Including your products in our swag bags is a great way to get your brand in front of a large and engaged audience. Our attendees are always excited to receive free goodies, and your product could be just the thing to make a lasting impression.

If you have any items you would like to contribute for our raffle or for prizes, your support is greatly appreciated. We will ensure your business gets the recognition it deserves.

Please contact us to make arrangements for pickup or to drop off your items. If donating swag items, we will have approximately 75 bags to fill.
